## **Sas Driver's Survival Handbook** John Wiseman

The SAS uses many types of vehicle to strike swiftly anywhere in the world, often under the worst imaginable conditions. From driving in arctic wastes to negotiating the searing heat of the deserts, the regiment uses special driving skills for immediate response to any terrorist threat. This text takes the reader through every area of the driving experience, from selecting and maintaining a car, planning a journey and carrying the right essentials to passenger safety and car security. In addition, the book deals with adverse driving conditions; dealing with a breakdown, plus defensive off-road driving.
