First-time home-buyers now have a brand new advantage, and if you want to cash in on the current real estate boom, here is your ticket to success! Author Adriana Dodge, a successful real estate investor herself, came to America as a poor immigrant from Columbia with only \$700 in her pocket. She learned and perfected the methods she shares with you in this book. **WARNING:** Everything you previously believed about buying a home of your own or acquiring income rental property will be turned upside-down and inside-out with Adriana's ""No Cash No Credit Home Buying System."" But don't worry, because it's legal and it's proven. It's just not that well known. Why have real estate insiders kept this information to themselves for so long, or charged thousands of dollars for private seminars where it is revealed? Precisely for the same reason Adriana wrote this book: because the information is so valuable! To insure that you will get the most from this book, Adriana offers four free CDs as a bonus to make buying the home you've always wanted easier than you ever imagined possible. Never before has the opportunity for home ownership and successful real estate investment been made available to so many people. This book has the answers you have been waiting for.
