Chapter 7 Consumer Bankruptcy Strategies provides an authoritative, insider's perspective on best practices for effectively handling the surge of Chapter 7 filings in today's economic climate. Featuring partners and founders of consumer bankruptcy firms around the nation, these experts guide the reader through the Chapter 7 process, providing practical tips for everything from the initial interview to the meeting of creditors. With proven advice for creating a client strategy, these top lawyers discuss qualifying for Chapter 7, working with trustees, completing the means test, knowing when to file, and navigating state and federal property exemptions. Additionally, these leaders explore recent consumer bankruptcy trends and cases, the challenges created by BAPCPA, and what it takes to be a successful bankruptcy attorney. The different niches represented and the breadth of perspectives presented enable readers to get inside some of the great legal minds of today, as these experienced lawyers offer up their thoughts around the keys to success within this ever-changing field.

Inside the Minds provides readers with proven business intelligence from C-Level executives and lawyers (Chairman, CEO, CFO, CMO, Partner) from the world's most respected companies and firms nationwide. Each chapter is comparable to an essay/thought leadership piece and is a future-oriented look at where an industry, profession, or topic is heading and the most important issues for the future. Each author has been selected based upon their experience and C-level standing within the professional community.
