## **Italian Gardens** Helena Attlee

To many of us, the great gardens of Italy seem like paradise on earth. But how much do we know of their history, and the people who created them? In this ravishing book, illustrated with contemporary paintings, drawings and prints as well as photographs of the gardens today, Helena Attlee tells their story. She starts with Petrarch – still looking to medieval chronicles for advice on how and when to plant – and goes on to the Renaissance and those first gardens to emerge from architects' plans. Then she describes the great gardens of the Medici; the first botanic gardens; the weird Mannerist gardens and their grottoes followed by the Baroque splendour of Isola Bella and the Villa Aldobrandini; the Neoclassical and Picturesque gardens of the eighteenth and nineteenth centuries; and how, in the twentieth century, expatriates with money to lavish on their villas and gardens brought new delights.

### From reader reviews:

#### **Lonnie Hammer:**

Do you have favorite book? For those who have, what is your favorite's book? E-book is very important thing for us to be aware of everything in the world. Each guide has different aim as well as goal; it means that e-book has different type. Some people truly feel enjoy to spend their time for you to read a book. They may be reading whatever they acquire because their hobby is actually reading a book. Consider the person who don't like studying a book? Sometime, man feel need book after they found difficult problem or perhaps exercise. Well, probably you will want this Italian Gardens.

#### **John Carroll:**

What do you think of book? It is just for students as they are still students or that for all people in the world, what best subject for that? Merely you can be answered for that concern above. Every person has various personality and hobby for every single other. Don't to be pushed someone or something that they don't desire do that. You must know how great in addition to important the book Italian Gardens. All type of book would you see on many resources. You can look for the internet solutions or other social media.

#### **Melody Grissom:**

Do you like reading a e-book? Confuse to looking for your best book? Or your book had been rare? Why so many problem for the book? But virtually any people feel that they enjoy intended for reading. Some people likes studying, not only science book but also novel and Italian Gardens or maybe others sources were given know-how for you. After you know how the good a book, you feel wish to read more and more. Science e-book was created for teacher or perhaps students especially. Those publications are helping them to include their knowledge. In additional case, beside science reserve, any other book likes Italian Gardens to make your spare time much more colorful. Many types of book like this one.

#### **John Davis:**

As a scholar exactly feel bored to help reading. If their teacher requested them to go to the library or even make summary for some book, they are complained. Just very little students that has reading's internal or real their passion. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this time, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Italian Gardens can make you experience more interested to read.
