## **Something Went Really Wrong** Jordan Muncz

"Something Went Really Wrong" recounts six hours in the life of Tony Gallant, a twenty something Staten Island native who works as a night security guard at Columbia University. A history aficionado, he writes about Vlad the Impaler, and his loyal soldiers, contagiously-sick ghouls, "impalers." When a nearby restaurant boiler explodes, mayhem becomes the campus. Emboldened by a worldly graduate student, Lena Voda, Tony finds his heroic make-up and the campus secrets.
