The Reunion (Jenicks) (Volume 2) Cliff Warden

"This life we have, this life we are given, no matter how it comes about, is a gift. You Art, no matter how your existence came about, have been given the gift of life. The question for you and for all of us, is how will we use that gift."

What if you discovered that everything you believed about your life was a lie? What if the only people you trusted suddenly disappeared into the night? How far would you go to take back your life? As Art's hope for freedom fades, a series of events are in motion to change his life forever.

The suspenseful conclusion to the Jenicks story unfolds in this sequel to The Awakening.
